

Is Your Congregation Ready for an Emergency?

Faith-based organizations are a vital part of our community. When disaster strikes, houses of worship become safe havens in the neighborhood. **ReadyOC**, Orange County's emergency preparedness program, hosts **FREE Ready Sunday** events to ensure that your congregation is prepared. **Here's how you can participate:**

Host a ReadyOC Booth:

At a ReadyOC booth, guests will learn how to best prepare for an emergency.

Free materials include:

- Giveaways (such as first aid kits and emergency buckets to store supplies)
- Family emergency plans
- Preparedness checklists
- Information sheets, and more!

You can also create an emergency kit for your congregation and designate a shelter-in-place interior room, as well as exterior meeting locations.

Promise to Prepare:

Join hundreds of thousands of OC residents and invite your members to make a **Promise to Prepare**, a commitment to prepare for emergencies, at www.ReadyOC.org.

Share Information: ReadyOC can provide you with preparedness tips to share in newsletters, bulletins, emails and social media. Also, encourage your members to enroll in Orange County's emergency alert system at www.AlertOC.com.
